LEAKS COST MONEY

Toilets:

A running toilet could be wasting more than 750L of water in a day.

Showerheads:

A showerhead that drops 10 drips/minute wastes more than 1,800L per year.

Drip:

1 drip/second wastes 32.7L daily and 11,937.6L yearly

Dribble:

3 drips/second wastes 98.1L daily and 35,813.2L yearly

Drool:

5 drips/second wastes 163.5L daily and 59,688.6L yearly

Hot tubs, Water heaters, water softeners, reverse osmosis and bath tubs all should be checked on a regular basis for leaks or valves that are stuck in the open position.

TIPS FOR SUMMER

- Check to ensure your water shut off valve works.
- Make sure down spout and eaves are clear so water flows away from your home.
- Storm sewer in front of your house? Remove the debris to ensure free flow to the drain.

HAVE A GREAT SUMMER!

Utility & Tax

Payments Reminder

Please make payments from an ATM or banking institution at least 7-10 days before the last business day. Payments are only applied when they are received in office. Payments can also be made at the municipal office between 9am-4pm by cash, cheque or debit. If that is inconvenient, we have a locked drop off box located by the front door for after hour payments which are entered in our system the next business day.

Garbage & Recycle Bins

Set out the recycle or garbage bins to ensure pick up by **6:30 am on Fridays**. Remove the bins promptly.

Phone Tree System

When an emergency occurs or we have information we need to distribute, ensure we have your email, cell phone or home phone number. This is an automated system that dials everyone on our list and shows the call originates from our fax number 306-747-3111. Keep in the know! Register your phone number for our phone tree!

2015 Tax Discount Rates
